

School of Mathematical Sciences
PURE MTH 3007
Groups and Rings III, Semester 1, 2010

Final information

- 1. Examination time:** Please check Access Adelaide.
- 2. Examination:** The exam will be similar in content and layout to previous years. Earlier exams can be obtained from the library. I will examine the whole course not just the material since the mid-term exam.
- 3. Consulting before the exam:** I will be generally around during the study period except for the first week of exams (21–25 June) when I will be overseas. Please bear this in mind when you are planning your study. Please email or ring and make an time if you want to see me. I can also answer questions by email except possibly while I am away.
- 4. Class Exercise and Mid-Term marks:** Please check the marks I handed out which are also on the web site. These will be the marks I will use to calculate the final grade so if there is a problem tell me asap.
- 5. Email:** Please read email over the study period.
- 6. Supplementary Examinations:** See the University policy here: <http://www.adelaide.edu.au/student/exams/supps.html>.
- 7. Course web site:** All handouts etc should be on the course web site at <http://www.maths.adelaide.edu.au/michael.murray/gr10/gr10.html>. There is a link on the myUni web page to the course web page.
- 8. Contact details:** If we have not moved into the new building I will be at Level 4 of 10 Pulteney St in Room 419. The phone there is 8303 4174 and my email is michael.murray@adelaide.edu.au.

Professor Michael Murray
