Groups and Rings III, Semester 1, 2010**

Information about the mid-term exam

- The mid-term exam will be worth 15%.
- The time advised in the initial handout was Monday 26th of April which is a public holiday. So the mid-term will be held on at 2.00 pm, on Thursday 29th April, Napier G03.
- The exam will last for 45 minutes made up of 5 minutes reading time and 40 minutes writing time. You can make notes on the scrap paper during the reading time. As such it will be roughly one-quarter of the length of the final 3 hour exam.
- I cannot guarantee the clock in that room will be working so please bring your own if you want it.
- Exam booklets to write in will be provided as will scrap paper.
- The first three sections of the course will be examinable.
- I will hand out some examples of the type of questions I might ask.
- Standard examination conditions will apply including no calculators.
