EDUCATION	The University of Adelaide , Adelaide, SA, Australia	
	Ph.D., Pure Mathematics, 2009	
	<ul style="list-style-type: none"> • Supervisors: Professor Michael K. Murray and Professor Mathai Varghese • Thesis Topic: <i>Loop groups, Higgs Fields and Generalised String Classes</i> 	
	B.Ma & Comp Sc.(Hons), Pure Mathematics, 2005	
	<ul style="list-style-type: none"> • Supervisors: Dr Paul McCann and Professor Michael K. Murray • Thesis Topic: <i>Noncommutative geometry and the quantum Hall effect</i> 	
	B.Sc., 2004	
	<ul style="list-style-type: none"> • Majors: Pure Mathematics and Theoretical Physics 	
RESEARCH INTERESTS	Differential Geometry, Gerbes and Mathematical Physics	
PROFESSIONAL EXPERIENCE	Scholarly Teaching Fellow, School of Mathematical Sciences, The University of Adelaide, January 2016 to current	
	Postdoctoral Fellow, School of Mathematical Sciences, The University of Adelaide, April 2014 to December 2015	
	Lecturer, School of Mathematics and Statistics, The University of Glasgow, September 2012 to March 2014	
	Postdoctoral Fellow, School of Mathematical Sciences, The University of Adelaide, January 2012 to September 2012	
	Associate Lecturer, School of Mathematical Sciences, The University of Adelaide, January 2011 to December 2011	
	Postdoctoral Fellow, School of Mathematical Sciences, The University of Adelaide, October 2009 to December 2010	
	Postdoctoral Fellow, Research School of Physics and Engineering, The Australian National University, July to September, 2009	
	Postgraduate Student, 2006 to 2009	
	Invited seminars/conference talks:	
	North British Mathematical Physics Seminar, Edinburgh, UK, March 2015. <i>Invited speaker.</i>	

Geometry and Topology Seminar, Queen Mary University of London, London, UK, March 2015.

Topology Seminar, University of Aberdeen, Aberdeen, UK, March 2015.

Mathematical Physics Seminar, Cardiff University, Cardiff, UK, February 2015.

Infinite-Dimensional Structures in Higher Geometry and Representation Theory, Hamburg, Germany, February 2015. *Invited speaker.*

Yorkshire and Durham Geometry Days, University of York, York, UK, October 2013. *Invited speaker.*

British Mathematical Colloquium, University of Sheffield, Sheffield, UK, March 2013.

K-Theory and Quantum Fields, Erwin Schrödinger International Institute for Mathematical Physics, Vienna, Austria, July 2012. *Invited speaker.*

Australian Mathematics Trust Awards Night, Adelaide, Australia, October 2011. *Invited speaker and guest of honour at the awards ceremony for the Australian Mathematics Competition* (this was a talk aimed at school students of all ages and their parents and teachers).

Mathematical Physics Seminar, Maxwell Institute for Mathematical Sciences, University of Edinburgh, Edinburgh, UK, October 2011.

Geometry and Topology Seminar, University of Glasgow, Glasgow, UK, October 2011.

Analysis, Geometry and Quantum Field Theory, University of Potsdam, Potsdam, Germany, September 2011. *Invited speaker.*

Differential Geometry Seminar, University of Adelaide, Adelaide, Australia, September 2011.

Riemannian and Differential Geometry, La Trobe University, Melbourne, Australia, November 2010.

Geometry and Quantum Field Theory, Max Planck Institute for Mathematics, Bonn, Germany, June 2010. *Invited speaker.*

53rd Annual Meeting of the Australian Mathematical Society, University of South Australia, Adelaide, Australia, September 2009.

1st Pacific Rim Mathematical Association Congress, University of New South Wales, Sydney, Australia, July 2009.

7th Australia – New Zealand Mathematics Convention, University of Canterbury, Christchurch, New Zealand, December 2008.

Australian Mathematical Sciences Institute/International Centre of Excellence for Education in Mathematics Vacation Scholarship, Dec 2004 – Jan 2005

Defence Science and Technology Organisation Vacation Scholarship, Nov 2003 – Jan 2004
